Hello everyone,

We're back again! We've just released the scoreboard in the [Judge System](#), so you can find out how your team ranked at the end of the competition. We'll announce the final results by Tuesday with the list of teams who will be invited to participate in the Final Round at Google Dublin.

Curious to see how participants approached tonight's problem? Share your solution using #hashcodesolved to keep the Hash Code fun going! And remember, we've also re-opened the Judge System for the Extended Round. You'll be able to submit solutions until 11th March at 18:00 CET.

And if you didn't get a chance to post your photos from tonight yet, we'd love to see them in our [Facebook](#) and [Google+](#) communities!

Well done on your participation tonight... now it's time to sit back and relax! We'll send a short survey tomorrow morning to collect your feedback about the competition so that we can improve future editions.

Cheers,
Nirali from the Hash Code team
